

# Delphi Commons

At Delphi Commons, we offer residential options for small cohorts of young adults. Our resident advisors provide support and structure through daily checks-in. Our master's level care coordinators help supervise long-term goals, collaborate with families and provide ongoing support. We monitor closely to make sure that every resident is safe, healthy and connected.

---

## The Services

Services include 20 hours per week of resident advisor support, twice per week meetings with the master's level care coordinator, group and weekend activities. Our resident advisor lives on-site or nearby the building. The resident advisor is backed by a robust substitute system to ensure 24/7 access to support for residents.

**Pricing structure:** \$2250 includes our comprehensive services, rent and utilities. High speed internet additional. Cool cohort of peers included at no additional charge!

---

## FIND OUT MORE

If you think Delphi Commons might be a fit for your young adult, schedule a phone consultation. Next, we'll hold a free in-person meeting to review the program. Families can then pursue our assessment and enrollment process.

## The Building

Delphi Commons is housed in a brand new building in West Seattle, located close to restaurants, shops, and public transportation.

As part of the public building, Delphi Commons occupies six rooms on one floor. Each resident has his or her own studio room complete with living and sleeping space as well as a private bathroom, kitchen and washer/dryer in unit. Rooms can be furnished or unfurnished. There is a community kitchen and activity room on the main floor.

Additional units to open at the Lake City Way building in 2019.

## The Community

Delphi Commons' residential approach builds strong connection through group activities, from Saturday group volunteer events to group dinners and table top game and movie nights.

## The Area

Nearby points of interest by bus include West Seattle Bowl (12 mins), Meeples Card games (13 mins), South Seattle CC (17 mins), Seattle Central CC (32 mins) and Trader Joe's (10 mins).
